Hi Carol:

To follow up on our conversation today, I am including a link to the presentation that EPA gave to the CAG at the end of last year. As I said during our phone conversation, I don't know that there will be much more information that we can provide to make your trip to New York worthwhile, but, that being said, Sarah and I would be available to meet with you and Bill on March 6. However, insofar as we don't have control of when the proposed plan may be released, I can't promise that this meeting will be prior to the issuance of the plan and the FFS. However, given Sarah's and my schedules, the week of March 3 is really the first time that we can meet.

I will be out of the office next week, but will be checking my email. Let me know if March 6 works for you and I will get back to you on the details of the time and conference room.
